

AUDIT OF THE RP SG CAPITAL VENTURES OPPORTUNITY FUND I FINANCIAL INFORMATION FOR GROUP AUDIT PURPOSES

**TO
THE TRUSTEE OF
RP SG CAPITAL VENTURES OPPORTUNITY FUND I**

Opinion

We have audited the accompanying Balance Sheet of RP SG CAPITAL VENTURES OPPORTUNITY FUND I ("the Fund") as at 31st March 2023, and the Statement of Income and Expenditure, the Statement of Cash Flows and the Statement of Changes in Unit holders for the year then ended, and a summary of significant accounting policies and other explanatory information being prepared by the Fund to enable RPSG Ventures Limited ("RVL") solely to enable RVL Group (RVL and its subsidiaries constitute the Group) to prepare its consolidated financial statement pursuant to the requirement of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Management Responsibility

The Fund's Trustee and Investment Manager is responsible for the preparation and presentation of this financial information in accordance with the Indian Accounting Standard ("Ind AS"), Group Accounting policies and other accounting principles generally accepted in India and for such internal control as management determines is necessary to enable the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibilities is to express an opinion on the financial information using auditing standards issued by Institute of Chartered Accountants of India ("ICAI"). As requested by you, we planned and performed our audit using the component materiality and component performance materiality which is the same as the materiality and performance materiality that we would have used had we been designing the audit to express an opinion on the financial information of the component alone.

We believe that audit opinion evidence we have obtained is sufficient and appropriate provide a basis for our opinion. The conclusions reached in forming our opinion are based on the component materiality and component performance materiality in the context of the audit of the consolidated financial statements of the Group.

We have complied with the ethical requirement of ICAI including independence and professional competence as it relates to our independence and professional competence.

Opinion

In our opinion, the financial information for RPSG Capital Ventures Opportunity Fund I as of March 31, 2023, and for the year then ended have been prepared, in all material respects, on the basis of Indian Accounting Standard and other accounting principles generally accepted in India and the Group's accounting policies.

Deloitte Haskins & Sells LLP

Restriction on Use and Distribution

This report has been issued at the request of the Management solely for use in the preparation of consolidated financial information in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. It should not be any other person other than authorized RVL management personnel and / or used for any other purposes.

Q

Q

RPSG CAPITAL VENTURES OPPORTUNITY FUND I

Notes forming part of the financial statements for the period December 26, 2022 to March 31, 2023

Note 1 : About the Fund

RP-SG Capital Ventures Opportunity Fund-I ("the Fund") is a Scheme of RP-SG Ventures Investment Trust, registered as a venture capital fund as one of the sub-categories of Category I Alternative Investment Fund, under the SEBI (Alternative Investment Funds) Regulations, 2012. The fund is incorporated on May 02, 2022 (Financial Year 2022-23 being the first year of Company Financials) and is domiciled in India with registered office at 30 Forjett Street, Spencer Building, 2nd Floor, Mumbai - 400036.

The primary objective of the Fund shall be to carry out the investment activities as permissible for a Category I AIF under the Regulations. The investment objective of the Fund is to achieve long term capital appreciation by investing in the pre-identified and new, top tier, fast growing consumer focused digital and technology companies and to provide returns to the Contributors in accordance with Applicable Laws and the Fund Documents.

The Investment manager of the fund is RP-SG Ventures Advisory LLP and term of the fund is Eight years which can be extended by two years with the consent of two-third majority of contributors.

These financial statements of the company are prepared for the period 26 December 2022 to 31 March 2023.

Note 2 : Significant accounting policies

a. Statement of compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the financial statements of the Fund have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

b. Basis of accounting and preparation of financial statements

The financial statements have been prepared on historical cost basis except for financial assets and liabilities held at fair value through profit & loss or fair value through other comprehensive income.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Fund takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Fund can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

c. Use of estimates

The preparation of financial statements, in conformity with Ind AS, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reported period. Differences between the actual results and estimates are recognized in the period in which the results are known / materialize.

d. Income recognition

Interest income is accounted for on a time proportion basis by reference to the principal amount outstanding and the applicable effective interest rate.

Dividend income is recognised when right to receive dividend is established.

2
27

e. Provision and Contingent Liabilities

The Fund recognises a provision when there is a present obligation as a result of an obligating event that probably requires outflow of resources and a reliable estimate can be made of the amount of the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

A disclosure of a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure of contingent liability is made.

f. Financial instruments

Financial assets and financial liabilities are recognised when the Fund becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the Statement of Profit and Loss.

Financial assets

Classification

The Fund classifies its financial assets in the following measurement categories: (i) those measured at amortised cost and (ii) those to be measured subsequently at fair value (through profit and loss).

a. Cash and Cash equivalents

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

b. Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. Financial assets at fair value through profit or loss

Financial instruments included within fair value through profit and loss category are measured initially as well as at each reporting period at fair value plus transaction costs as applicable. Fair value movements are recorded in statement of profit and loss. Investments in units of mutual funds are accounted for at fair value and the changes in fair value are recognised in statement of Profit and Loss.

d. Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost. For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

e. Derecognition of financial assets

The Fund derecognises a financial asset only when the contractual rights to the cash flows from the asset expire.

g. Investment management fees

Investment management fees and commission expenses are recognised in profit or loss as the related services are performed.

h. Trusteeship fees

Trusteeship fees is recognised in profit and loss on accrual basis as per the agreement with trustee in the offer letter.

RPSG CAPITAL VENTURES OPPORTUNITY FUND I
Notes forming part of the financial statements for the period December 26, 2022 to March 31, 2023

Note 14: Financial Instruments

14.1 Capital management

The Fund's capital management policy is focused on growth and creating value for unitholder. The fund has issued units to the investor and maintains an optimal mix of the categories of units issued to the investor to meet its capital management objectives.

14.2 Categories of financial instruments

Particulars	As at March 31, 2023
Financial Assets	
Designated at fair value through profit or loss (FVTPL)	
(i) Investment designated at fair value through profit or loss	3,31,629
Measured at amortised cost	
(i) Cash and cash equivalents	2,125
Financial Liabilities	
Measured at amortised cost	
(i) Financial liabilities measured at amortised cost	708

14.3 Financial risk management objective

The Fund has a system-based approach to risk management, anchored to policies and procedures aimed at ensuring early identification, evaluation and management of key financial risks (such as market risk, credit risk and liquidity risk) that may arise as a consequence of its operations as well as its investing and financing activities. Accordingly, the Fund's risk management framework has the objective of ensuring that such risks are managed within acceptable and approved risk parameters in a disciplined and consistent manner and in compliance with applicable regulation. It also seeks to drive accountability in this regard.

a. Liquidity risks

Liquidity risk refers to the risk that the Fund cannot meet its financial obligations. The objective of liquid risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Fund does not have any loans from banks or others. Furthermore, the Fund has sufficient quantities of liquid assets which are readily saleable. Hence the risk that the company may not be able to settle its financial liabilities as they become due does not exist.

The following tables shows a maturity analysis of the anticipated cash flows for the Fund's financial liabilities.

Expected maturity of financial liabilities

Particulars	Due within one year	Due after one year
As on March 31, 2023		
(i) Trade Payables	708	-

b. Market risks

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices. The maximum risk resulting from financial instruments equals their fair value.

c. Credit risks

Credit risk arise from the possibility that the counter party may not be able to settle their obligations. Financial instruments that are subject to such risk primarily consists of investments, trade receivables, bank deposits, loans, derivative instruments and other financial assets.

The investments made by the Fund are made after proper due diligence and the bank deposit are with highly rated scheduled banks. None of the financial assets of the Fund are either impaired or past due.

Note 14 : This being the first year of incorporation of the Company, no comparatives for the previous year has been given in the financial statements
